2024 Holiday Calendar

1. Overview of 2024 Company Holidays

Larkspur Freight will observe a total of 11 paid holidays in 2024 across all U.S. locations, with some regional variations for our Canadian and Mexico City offices. All full-time employees are eligible for paid holidays, while part-time staff receive pro-rated holiday pay based on their average weekly hours (minimum 20 hours/week). Temporary and contract workers are not eligible. The official holiday calendar is managed in Workwise HR Portal and will be updated by January 5, 2024. Please refer to the portal for the most current list and to request floating holidays.

Employees receive 1 additional floating holiday, which must be scheduled with at least 7 days’ notice via the TiempoPro system. Overtime worked on holidays is compensated at 200% of base salary, as per Mexican labor law.

5. Holiday Pay and Scheduling Rules

Holiday pay is based on your regular daily rate. If you are required to work on a company holiday, you will receive time-and-a-half (1.5x) pay, except in Mexico City where the rate is double. All holiday work must be pre-approved by your department manager. Payroll adjustments for holiday work are processed through PayBridge and reflected in the next pay cycle. Unused floating holidays do not roll over and are not paid out at year-end.

6. Vendor Support and Holiday Tracking

All holiday requests and approvals are managed through Workwise (U.S. & Canada) and TiempoPro (Mexico). For technical issues, contact our IT vendor, BluePeak Solutions, at support@bluepeaksol.com. HR will audit holiday balances quarterly; discrepancies must be reported within 30 days. For questions about eligibility or scheduling, reach out to your local HR representative or email hr@larkspurfreight.com.
